Action Taken Report of Faculty Feedback Academic Session 2023-24

1. Faculty Feedback	
Statement	Action taken
Course outcome of the syllabi are well defined and clear to teachers and students.Q2	As per the outcomes of analysis it is advised that clear and well-defined course outcomes are crucial for effective teaching and learning, providing direction, alignment, motivation, and accountability throughout the educational process.
Sufficient number of relevant and updated reference books/E-journals etc. is available in the libraryQ3	Institutions maintain adequate library resources to support teaching, learning, and research activities. Having a well-stocked library with updated reference materials helps institutions meet these standards and enhance their academic reputation.
The working environment in the department is conducive to teaching and research.Q4	Departments create a supportive and conducive working environment that nurtures teaching and research excellence, fosters collaboration and innovation, and promotes the well-being of faculty and students alike there are some factors that institution follows: collaborative culture professional development opportunities, work-life balance, recognition and reward clear communication etc.
Institute gives flexibility to use any technique and teaching aidsQ6	Institution should follow the flexibility in teaching techniques and the use of various teaching aids as it all greatly enhance the learning experience for students. It allows educators to adapt their methods to suit the needs and preferences of different learners, making the material more engaging and accessible. Plus, it encourages innovation and creativity among teachers, as they can experiment with different approaches to see what works best for their students. Overall, this flexibility can contribute to a more dynamic and effective learning environment.
Institute gives opportunity to excel in academics/higher educationQ7	Institute has taken initiative to facilitate pathways to higher education by offering resources such as advanced coursework, research opportunities, mentorship programs, and access to academic support services. Besides it by equipping students with the necessary tools and support, rewarding academic accomplishments through scholarships, awards, and honors can motivate students to strive for excellence and pursue their academic goals with dedication and enthusiasm. Institute empowers them to pursue further education and succeed in their academic endeavors.

Action Taken Report based on Analysis of Parent Feedback Academic Session 2022-23

1. Parent Feedback		
S.N.	Statement	Action taken
1	Your ward become more responsible after joining college.Q.1	College offers students a newfound sense of independence as they navigate living away from home, managing their own schedules, and making decisions for them. This increased autonomy fosters a greater sense of responsibility. With greater academic freedom comes increased accountability for one's own learning. College students are responsible for attending classes, completing assignments, and meeting deadlines, which instills a sense of discipline and accountability.
2	Your ward become more disciplined after joining college.Q.2	In accordance with the analysis's findings, institution has set the guidelines and standards for behavior, attendance, and academic achievement. It also offers assistance and support to students who might be having problems with discipline. The institution also provides tools to assist them in staying on course, like mentoring, counseling, and tutoring.
3	Your opinion about infrastructure of college.6	The infrastructure should include well-designed classrooms, lecture halls, and laboratories equipped with modern technology. These spaces should facilitate interactive learning, group discussions, and hands-on experimentation.
4	Your ward used library facilitiesQ.8	Books, journals, periodicals, newspapers, and online databases are just a few of the many resources that libraries have to offer. These tools can help students with their academics, academic research, and extracurricular activities.
5	You think your aspirations about your ward will be fulfilled.10	Parents or guardians to desire the best for their children and to assist them in realizing their aspirations. Institution continue to offer advice, encouragement, and support to help them achieve their goals and overcome any obstacles they may face along the road, even though there are a lot of variables that could affect their path, such as their own efforts, opportunities, and outside events.
