## REPORT

### Objective

The objective of the 1st National Moot Court Competition organized by the Innovative Institute of Law was to provide a platform for law students from various universities across India to showcase their advocacy skills, legal knowledge, and ability to apply legal principles in a simulated courtroom setting. Through this competition, students were given an opportunity to enhance their understanding of legal practice, gain practical experience, and interact with legal professionals.

### About the competition:

The 1st National Moot Court Competition, held from April 29 to May 1, was a resounding success, attracting participation from 27 teams representing universities from across India. Out of these, 21 teams were selected to compete in the event. The competition commenced with an inaugural ceremony on April 29, graced by Chief Guest Justice Mridula Mishra, former Judge of Patna High Court and Present Vice Chancellor of CNLU, Patna. Justice Mishra emphasized the importance of moot court competitions in honing students' advocacy skills and commended the dedication of participants.

The preliminary round saw rigorous competition among the 21 participating teams, with each team presenting their arguments before panels of judges. Based on their performance, the top 8 teams advanced to the quarter-final round, where they engaged in further simulated courtroom proceedings across 4 courtrooms. The quarter-final round showcased the teams' ability to construct persuasive legal arguments and respond effectively to judicial queries.

Following the quarter-final round, the best-performing 4 teams proceeded to the semi-finals and eventually to the final round, held on May 1. The final round, adjudicated by Sh. Harish Chandra

Mishra (Lokayukta of Delhi & former acting Chief Justice of Jharkhand High Court) and Judge Anjana Mishra (Armed Force Tribunal, Delhi and Former Judge, Patna High Court), witnessed intense legal advocacy as the remaining teams presented their cases before the esteemed panel of judges.

In the end, Bharatiya Vidyapeeth from Paschim Vihar, Delhi, won the competition because they showed excellent skills in arguing and understanding the law. They received certificates, a trophy, and a cash prize of Rs21,000. The runner-up team, Vivekananda Global Studies, also demonstrated commendable performance throughout the competition.

## **Outcome:**

- Through their participation in the moot court, students gained practical knowledge about courtroom procedures, including how to conduct themselves during hearings, respond to judicial queries, and adhere to legal protocols, thus preparing them for future legal proceedings.
- The moot court provided students with a platform to apply theoretical legal concepts to real-life scenarios, helping them develop a deeper understanding of legal practice beyond textbooks.
- Participating students gained valuable experience in presenting legal arguments persuasively and articulately, thus improving their advocacy skills significantly.
