

Swami Vivekananda Scholarship Scheme (SVSs)

Innovative Institute of Law believes that every student should have equal opportunities to access quality education. Our primary objective is to ensure that each and every student, regardless of their financial position, caste, creed, or religion, has an equitable chance to pursue their educational aspirations.

In alignment with this fundamental principle, we have a Scholarship and Free Ship Policy. This comprehensive policy considers a wide spectrum of factors when assessing eligibility for financial support. These factors include economic backgrounds, academic accomplishments, active participation in extracurricular and co-curricular activities, involvement in sports and cultural events, personal attributes, future goals and aspirations, and a strong commitment to discipline.

We believe that this inclusive and holistic approach to Scholarships and Free Ships will not only open doors to education for deserving students but also nurture well-rounded individuals who will make meaningful contributions to society.
