## REPORT

### Objective

The objective of the 1st National Moot Court Competition organized by the Innovative Institute of Law was to provide a platform for law students from various universities across India to showcase their advocacy skills, legal knowledge, and ability to apply legal principles in a simulated courtroom setting. Through this competition, students were given an opportunity to enhance their understanding of legal practice, gain practical experience, and interact with legal professionals.

### About the competition:

The 1st National Moot Court Competition, held from April 29 to May 1, was a resounding success, attracting participation from 27 teams representing universities from across India. Out of these, 21 teams were selected to compete in the event. The competition commenced with an inaugural ceremony on April 29, graced by Chief Guest Justice Mridula Mishra, former Judge of Patna High Court and Present Vice Chancellor of CNLU, Patna. Justice Mishra emphasized the importance of moot court competitions in honing students' advocacy skills and commended the dedication of participants.

The preliminary round saw rigorous competition among the 21 participating teams, with each team presenting their arguments before panels of judges. Based on their performance, the top 8 teams advanced to the quarter-final round, where they engaged in further simulated courtroom proceedings across 4 courtrooms. The quarter-final round showcased the teams' ability to construct persuasive legal arguments and respond effectively to judicial queries.

Following the quarter-final round, the best-performing 4 teams proceeded to the semi-finals and eventually to the final round, held on May 1. The final round, adjudicated by Sh. Harish Chandra

Mishra (Lokayukta of Delhi & former acting Chief Justice of Jharkhand High Court) and Judge Anjana Mishra (Armed Force Tribunal, Delhi and Former Judge, Patna High Court), witnessed intense legal advocacy as the remaining teams presented their cases before the esteemed panel of judges.

In the end, Bharatiya Vidyapeeth from Paschim Vihar, Delhi, won the competition because they showed excellent skills in arguing and understanding the law. They received certificates, a trophy, and a cash prize of Rs21,000. The runner-up team, Vivekananda Global Studies, also demonstrated commendable performance throughout the competition.

## **Outcome:**

- The moot court provided students with a platform to apply theoretical legal concepts to real-life scenarios, helping them develop a deeper understanding of legal practice beyond textbooks.
- Participating students gained valuable experience in presenting legal arguments persuasively and articulately, thus improving their advocacy skills significantly.

## REPORT

The Innovative Institute of Law successfully organized a webinar on "Challenges and Concerns in Citizenship Amendment Act 2019" on 13-06-2021. The webinar aimed to provide insights into the various aspects of the Citizenship Amendment Act 2019 and its implications.

The webinar commenced at 12:00 pm and was attended by students and faculty members of the institute. The event began with a welcome address by Ms. Sheetal Sharma, Faculty, Innovative Institute of Law.

The webinar featured distinguished speakers including Adv. Saloni Bahl, who discussed the legal aspects of the Citizenship Amendment Act 2019. Mr. Abhilash Arun Sapre, who highlighted the social implications, argued that social movements have struggled to weave difference into the notion of equality that informs the abstract notion of citizenship. They suggested that the universalism of citizenship can be made effective by taking into account the specific needs of people belonging to groups that are disadvantaged by the generalised application of common or uniform frameworks/standards of citizenship. Their constant theme was that the Constitution recognises differentiated citizenship so that members of specific ethnic, linguistic, racial and religious groups are incorporated into citizenship not only as individuals but also through their groups so their rights depend upon their group membership.

The speakers provided valuable insights and perspectives on the topic, which led to an engaging discussion among the participants. The webinar concluded with a vote of thanks by Dr. Akhilesh Kumar Pandey, HOD, Innovative Institute of Law, who thanked the speakers and participants for their active participation.

Overall, the webinar was a great success and provided a platform for meaningful discussions on the challenges and concerns surrounding the Citizenship Amendment Act 2019.
