DR. K. R. SHARMA

Innovative Institute of Law (IIL) is an initiative of Innovative Welfare and Educational Society, Greater Noida which is established in the year 2005. Innovative Institute of Law aims to attract the best talents among the aspiring students who shall be admitted in accordance with the rules and regulations of the C.C.S. University and the Bar Council of India. The faculty, staff and students share a deep belief in and commitment to the Institution's programmes. The teaching and learning process happens in a unique atmosphere of mutual respect, participation and interaction. I take this opportunity to assure full support from us at Innovative Welfare and Educational Society to develop the Innovative Institute of Law into one of the premier institutions not only in this part of the country but in the whole world in the years to come.

At the Innovative Institute of Law (IIL), we believe that learning goes beyond textbooks. This year, our students explored the integration of Artificial Intelligence in the legal field, gaining valuable exposure to tools shaping the future of law. To bridge classroom learning with real-world experience, we organized moot court competitions judged by esteemed members of the High Courts and Supreme Court. These events, covering topics like the Kisan Andolan, enhanced students' skills in advocacy, research, and legal reasoning. Our students also secured prestigious internships at institutions such as the Supreme Court of India, NCDRC, and the National Human Rights Commission. An eye-opening visit to Tihar Jail provided firsthand insights into prison systems and correctional practices. We are proud to announce that the Institute has become the first law college under Chaudhary Charan Singh University to earn NAAC accreditation with a B++ grade—a reflection of our commitment to academic excellence. As we welcome a new batch of aspiring legal minds, we remain dedicated to nurturing purpose-driven, socially responsible professionals ready to lead in the legal world.

Warm wishes to all for continued success.
